What does AHCCCS Health Insurance cost you?

Premiums

Most people do not have to pay a monthly premium for AHCCCS Health Insurance. Some people with income too high to qualify for AHCCCS Health Insurance with no monthly premium may be able to get it by paying a monthly premium. If you have to pay a premium, the premium amounts are:

- $15 - $25 per parent (This health insurance may be suspended if funding is not available.)
- $10 - $35 per person for employed people with disabilities

If you need to pay a premium to AHCCCS, we will send you a letter telling you the amount and when the premium is due.

Co-payments

A co-payment is the amount you pay a health care provider when you receive a medical service. Co-payments for services are as follows:

- Physician visits $0 to $1
- Non-emergency use of the Emergency Room $0 to $1

Enrollment Fees

Parents who have to pay a monthly premium must pay a one-time enrollment fee. The enrollment fee is billed with the first month's premium. The enrollment fees are:

- $15 – 25 per parent

If you are approved for AHCCCS Health Insurance, you will receive your health care from an AHCCCS Health Plan unless:

- You are Native American and you choose Indian Health Services (IHS) as your health plan
- You are just asking for help with your Medicare costs. If you are approved for one of the Medicare Cost Sharing programs, AHCCCS may pay your Medicare premiums and Medicare coinsurance and deductibles, or
- AHCCCS can only pay for your emergency services because of your status with the United States Citizenship and Immigration Services. If you are approved for emergency services only, you may receive medical services from any provider (doctor, hospital, etc.) that has an agreement to bill AHCCCS for covered emergency services.

Please answer all questions. Use a pen, and print your answers clearly.

Please choose either a Health Plan that serves your county or IHS. Write your choice on page 1.

- YOU NEED TO CHOOSE A HEALTH PLAN THAT SERVES YOUR COUNTY. All AHCCCS health plans provide the covered medical services listed on page A. If you are approved for emergency services only or Medicare Cost Sharing only, you will not be enrolled in an AHCCCS Health Plan.
- Review the health plans for your county listed below. If you are Native American and can receive services from IHS, you may choose IHS or an AHCCCS Health Plan.
- Before choosing, check with your doctor, pharmacy or hospital, to see if they contract with (work with) the plan that you want. If you want more information about the doctors, specialists or hospitals that contract with a health plan that serves your county, call the number listed below for the health plan or ask your Eligibility Specialist to show you the health plan's list of health care providers.
- Select a health plan. If you do not choose a health plan, one will be assigned to you. If you have been enrolled in an AHCCCS health plan within the past 90 days, you may be enrolled with your previous health plan.

How Does a Health Plan Work?
- An AHCCCS health plan is like a health maintenance organization (HMO).
- The health plan works with the health care providers (doctors, hospitals, pharmacies, etc.) to provide all AHCCCS covered services.
- The health plan will send you a member handbook once you are enrolled.
- You can call the health plan if you have any questions about your benefits or services or if you need an accommodation because of a disability or interpreter services. The phone number for member or customer services can be found on your AHCCCS ID Card and in your Member Handbook.

Your Primary Doctor and Specialists
- You must choose your primary doctor or one will be assigned to you.
- Once enrolled, you will get a list of primary doctors in your area from the health plan.
- Your primary doctor will:
  - Take care of your health care.
  - Be the first person you go to for non-emergency medical care.
  - Be responsible for authorizing your non-emergency medical services.
  - Send you to a specialist when needed.
- You have the right to change your primary doctor at any time by calling your Health Plan's member or customer services.

How Can I Get Behavioral Health Services?
- You can go through your primary doctor, or
- Call the behavioral health telephone number on your AHCCCS ID Card.

Your AHCCCS ID Card
- Your AHCCCS ID Card has your unique AHCCCS ID number.
- Show the card when you get medical care (you may need to show a picture ID as well).
- Doctors, hospitals and pharmacists use your AHCCCS ID Card to obtain faster verification of your eligibility.
- Keep your AHCCCS ID Card with you at all times.
- Keep your AHCCCS ID Card in a safe place.
- Do not let anyone else use your AHCCCS ID Card or you may be prosecuted.

What if I Have Medicare or Other Health Insurance?
- Be sure to tell your health plan that you have Medicare or any other health insurance.
- If your doctor does not contract with your AHCCCS health plan, your doctor must call the AHCCCS health plan to coordinate care or you may be responsible for any Medicare or other health insurance co-payments or deductibles.
- If you are in another HMO, you should pick a primary doctor who works with both your HMO and your AHCCCS health plan.
- If you have your prescriptions filled at a pharmacy that works with your AHCCCS health plan, you may not have to make Medicare or health insurance co-payments. Call your AHCCCS health plan to find out what your cost will be.

Explanation of your rights and responsibilities

This section explains your rights. Please read it carefully.

Non-Discrimination

AHCCCS and DES do not discriminate on the basis of disability in admission to, access to or operation of its programs, activities, services or in its employment practices. AHCCCS and DES comply with the Americans with Disabilities Act of 1990. If you are visually or hearing impaired and need an accommodation or need a different format to complete this application, please contact the AHCCCS Americans With Disabilities Act Coordinator at 602-417-4014 or 1-800-654-8713, ext. 74014.

Reporting Changes

If any information you have provided on this application changes before you receive a decision, call (602) 417-5010 in the Phoenix area or toll free at 1-800-528-0142 statewide. Watch for more information about reporting changes in your decision letter.

Citizenship and Immigration Status

Anyone who wants AHCCCS Health Insurance (except for emergency medical care) must tell us his or her citizenship or immigration status. Non-citizens must provide copies of any USCIS (formerly INS) cards or letters. If you are a sponsored alien, have your sponsor send in their signed I-864 Affidavit of Support. We may verify immigration documents with the USCIS (formerly INS), but we will not report information to the USCIS (formerly INS). If you ask for or receive AHCCCS Health Insurance (except for nursing home care), it will not hurt the immigration status of anyone in your household. You do not need to tell us about the citizenship, immigration status or place of birth, or provide documents for anyone in your household who is not applying for AHCCCS Health Insurance.

Providing Social Security Numbers

Anyone who asks for AHCCCS Health Insurance must tell us his or her Social Security number or apply for one. If you do not have a Social Security number, we can help you apply for one. We do not require a Social Security number for a person who is not asking for AHCCCS Health Insurance, but you may give it voluntarily. Providing all Social Security numbers will help us verify family income. We use Social Security numbers for computer matching with other state and federal agencies and to find out about your income and whether you have Medicare. It also makes sure you are not approved for AHCCCS Health Insurance more than once at the same time. Immigrants who are not legally able to obtain a Social Security number are not required to provide one. We will not use your Social Security number as your AHCCCS identification number.

Hearing Rights

You have the right to ask for a hearing if:

- You have given all information and proof requested and you have not been told in writing within 45 days (or 90 days if a disability determination is needed) whether your application is approved or denied,
- We deny your application, or stop or reduce your services, or
- You disagree with the amount of your co-payment or premium or an increase in your premium, if a premium is required.

The notice AHCCCS or DES sends you will tell you how to request a hearing, the date by which you must ask for a hearing, and will ask for the reason you want a hearing.

Privacy Rights

AHCCCS or DES staff will not tell anyone what you tell us in this application unless you give us permission or state and federal law allow us to.

Penalty Warning

Federal, state and local officials may check the truth of the information you provide on this application. You must not knowingly hold back or give false information so you can receive or continue receiving AHCCCS Health Insurance. If something you tell us on this application is incorrect, we may deny or stop AHCCCS Health Insurance. We will ask you to provide additional proof of any statements you make on your application that do not match information we get from someone else. If you and/or your representative knowingly provide false information, you and/or your representative will be subject to criminal prosecution, which could result in fines, imprisonment and/or other penalties under state or federal law. You may also be required to pay AHCCCS for AHCCCS Health Insurance you received while you were not eligible.

Cooperation With AHCCCS and the Department of Economic Security (DES) in Processing your Application

The AHCCCS Administration or DES will see if you can get AHCCCS Health Insurance. Based on federal and state laws, a person who is eligible for Medicaid cannot be approved for KidsCare. If someone listed on this application may be Medicaid eligible, your application will be completed by DES or AHCCCS. You may be asked to provide more information. If you do not give the information or proof needed, your application for AHCCCS Health Insurance cannot be approved.

For more information about your responsibilities, see page 7.
